Overview

Colleyville Christian Preschool is a Christian education program designed to teach gifted and talented children in a challenging academic and pleasurable social environment. The center points of our program are: a) the experience and qualifications of our staff b) maintaining low student-teacher ratios c) advanced academic/Bible based curriculum.

Parents are encouraged to take a tour of our freshly remodeled facility.

Each age of child will be placed in the class that is coordinated with his/her kindergarten school year.

We use the NAEYC (National Association for the Education of Young Children) observation checklist and will be NAEYC certified once our application is approved.

We also follow the Texas State Minimum Standards and Rules as published by the Texas Department of Family and Protective Services.

Colleyville Christian Preschool follows the Grapevine-Colleyville Independent School District calendar.

Director and Staff

Diane Ellis is the owner and director of the school and comes to Colleyville Christian Preschool with over 14 years experience as a director of a Christian Preschool. She has a Bachelor of Science Degree in Elementary Education and a Master of Science Degree in Reading.

Our staff is comprised of only certified teachers and/or highly experienced teaching professionals from the DFW Christian community. Colleyville Christian Preschool's philosophy is to invest heavily in the staff in terms of training, resources and compensation because they will plant the seeds that will help grow in the children for many years to come.

Our Facility

Colleyville Christian Preschool operates in a 7,200 square foot facility that is specifically designed for meeting the needs of preschool age children. Our colorful facility has undergone a \$250,000 renovation in the summer of 2009 and is equipped with 14 bathrooms, 17 sinks, kitchen and 6 separate playground areas. We welcome parents and prospective students to take a tour.

Curriculum

A child learns by: doing, asking, watching, listening, experimenting, testing, touching, tasting and smelling.

Our curriculum includes:

- Reading
- Bible/Drama
- Arts and Crafts
- Spanish In Motion
- Manipulative Mathematics
- Discovery Science
- Computers
- Chapel
