

# Colleyville Christian Preschool

## Core Values

- \* We are a Christian School and as such we follow the teachings of the Bible as our primary core values and we teach the children about them daily.
  
- \* We continuously work to help every child reach his or her maximum potential by teaching a strong academic curriculum in a wide array of subjects taught by a highly qualified and trained staff. Hence our slogan: "Academic Excellence in Christian Education".
  
- \* Every child will be given positive reinforcement so as to ensure their development as positive, confident young people.
  
- \* We will ensure that every child who enters our program will grow from an academic, spiritual, physical and social perspective; we believe far beyond what they would in any other program.
  
- \* We will provide a safe, loving environment for the children where continuous learning and FUN occurs every day.
  
- \* We will keep student/teacher ratios lower than required in order to assure individualized teaching for each child.
  
- \* We highly appreciate everyone (the children, their parents, our staff) and treat everyone with respect.

**\* Children will learn more from a superior teaching staff working in a clean, colorful and fun filled environment.**
